June 2020

PRESIDENT'S MESSAGE *Karen Harkins*

Welcome Angel Boosters. Happy June everyone. We are all adjusting to the new normal, no baseball, social distancing, job sharing, working from home and sorry to say, layoffs. Keep your heads up, reach out to friends and family and stay strong.

We are hoping to hear good news that our boys will be back playing baseball soon. Unfortunately, the negotiations are very slow. The MLB and the Player's Association cannot come to an agreement over number of games and pay. MLB is considering a possible 50 games in front of no fans as a potential option but has not proposed that scenario to the Player's union yet. Unfortunately, looks like we will probably have no baseball this season. What a sad

time for all...players and fans.

I heard from the Angels and understandably they do not have a firm date for us to start having general meetings at the stadium again. We do know for sure that we will not be meeting again until the last quarter of the year, and this is a big, "Maybe," depending on the virus situation.

We are talking about having a picnic in a park near the stadium at the end of summer. We miss seeing each other and hopefully we can catch up soon. Please stay well. You are all in our thoughts.

Halo Hugs,
Karen ☺

IMPORTANT NEWS!

News On Our Dear Friend, Lois McKoon

The Club just learned that Lois McKoon (PCAA) suffered a stroke and has been in a rehabilitation facility since mid-February. She is doing well but she has had to deal with all of the terrible effects and necessary rehabilitation from a stroke. Lois has a few more months of rehabilitation before she can go home. On behalf of the entire Angels Booster Club we want Lois to know that we have her in our hearts and prayers. I'm sure she has been so missed in all of her wonderful work with PCAA and her ministry.

DUE TO THE COVID 19 VIRUS, JUNE AND JULY MEETINGS HAVE BEEN CANCELLED

The Angels Booster Club will keep all of the Boosters informed via email, newsletters and Facebook when future meetings will be back on schedule.

Also, no newsletters will be printed and mailed at this time. Monthly newsletters will be emailed only until further notice.

All Community Event volunteer opportunities and Trips and Tickets information will be updated as we get any details.

We are all in this together and hopefully life will return to normal soon.
